

Narrative Structure in Heart of Darkness

by Professor John Lye, Brock University, 2000

pagination in the broadview press 2nd edition ed. D.C.R.A.Goonetilleke

the horror! the horror!

the world an immense darkness

*At the inside/center/depth (the heart of the jungle, of the primitive), is the outside, Kurtz the accomplished European;
at the outside, in Europe, is the inside – the city of death and shades of death, the whited sepulchre.*
